What happens next?

If you talk with a confidential resource, your information will not be shared with the OIE unless you sign a release.

If you talk with any private resource, then a Title IX Coordinator will reach out to you as an introduction and to provide resources and support. In terms of next steps, the Complainant may either:

- Choose not to respond,
- Ask to meet to explore options
- Request Supportive Measures, or
- Pursue the Formal Investigation Process.
